### LETTER OF COMMENDATION

Ultra Electronics [Redacted] would like to express our appreciation for the work provided by Propak in the fabrication of over 2000 items for in support of programmes crucial to the strategic defence of the United Kingdom.

Over a period of several months we have developed an excellent working relationship with Propak and anticipate that this will continue through future programmes for our major customers.

M Hawkins  
Operations Director

J Everett  
Managing Director
